

Partners in Sustainable Community Development

Give the Gift that Keeps Giving!

We want to spread the aroma of Café Burro coffee to more homes than ever and are offering these unique gift packages!

Your donations cover the fair price of the products themselves, making it possible for many Honduran workers to have sustainable lifestyles. In addition, one dollar of each bag of coffee sold is placed in the Heart Fund, a micro-business fund that helps Hondurans to establish their own businesses!

We hope you feel blessed to know that your purchase of Café Burro coffee impacts the lives of people in Honduras!
