Heart to Honduras Classic

The Classic is a fundraiser put on by Mountain Park Church in Phoenix, AZ that everyone can participate in! The weekend of November 7 & 8 we will for fellowship, fun & a way for you to follow Christ's command in the Great Commission. You can participate in several ways, as a golfer, walker, prayer warrior, and sponsor or join us for an auction and 20th Anniversary Banquet.

Cost to Golfers: \$135 per person. What you get: 18 holes of golf, cart, unlimited use of driving range, 20th Anniversary Heart to Honduras Polo, dinner and of course a day full of fun as you help a great cause!

Explanation of Prayer Hike: Those attending will walk as a group on the path close to South Mountain praying for 18 different aspects of Heart to Honduras' ministry! The Prayer Hike is like a Walk-a-thon. To participate you will sign up sponsors like a typical Walk-a-thon. However, instead of earning money for the cause based on how many laps you walk, your sponsors will be giving to you in honor of you completing the Prayer Hike.

Lake Yure Camp

Proceeds from this event will go toward the continued development of the International Extreme Camp (IEC) on Lake Yure. One of our goals in Honduras is to share Christ with teenagers and equip them for a life of service to Him. One way we are accomplishing this is through the IEC. The camp sits 2,000 feet above sea level in a beautiful mountainous region. This 84-acre site is located on a picturesque lake across from the Cerro Azul Meambar National Forest. The program includes extreme sports, character-building activities, and time for seeking God wholeheartedly.

20th Anniversary

2009 marks Heart to Honduras' 20th Anniversary! We are taking this opportunity to visit 5 areas around the country and share with our partners the progress that has been made in Honduras and all over Central America through the work God has enabled us to do.

Our Celebration Services will be a great time of fellowship, worship, and singing. Plus you will hear from Honduran staff leader Miguel Pinell and Stateside Staff leader Gordon Garrett about our history, what we are doing in Honduras in 2009 and our vision of what's to come.
